COVID–19 VIRUS – COMMUNITY INFORMATION

For individuals

Anyone who believes they have may have contracted the COVID-19 virus (i.e.: who are returned travellers, or who have come in contact with a confirmed case and are showing symptoms: fever, sore throat, dry cough and shortness of breath) are advised in the first instance to:

- Call the free-call coronavirus hotline 1800 022 222 and receive advise on the best course of action depending on your symptoms and risks, or
- Contact your GP to arrange an appointment (let GP practice know in advance if you have symptoms) or
- Call the Murrumbidgee COVID-19 Hotline on 1800 831 099 for assessment (7.00 am – 11.00 pm).

For advice and information about COVID-19 symptoms, testing and social distancing visit https://preview.nsw.gov.au/covid-19

Council facilities that are closed to the public include: -
- The Visitor Information Centre and Greens Gunyah Museum, Lockhart.
- The Rock Museum
- Indoor sporting venues including The Rock Community Gym
- Swimming pools
- The mobile library service has been suspended by the Riverina Regional Library.

Council facilities that have remained open include: -
- The Rock OOSH
- Waste management facilities
- Whilst Council’s administration building remains open people are encouraged, as far as practicable, to transact business or deal with Council’s administration over the phone or online. Credit card payments can be taken over the phone. The use of cash at this time is not encouraged for health reasons.

If you still find it necessary to attend Council’s administration building in person please observe the appropriate social distancing rules i.e. keep 1.5m distance between yourself and others.
